DIGITAL TRANSITION

AUDIOVISUAL EQUIPMENT UPGRADE

Maurice O'Bready Theatre

Sherbrooke, Quebec, Canada, 2014

The Maurice O'Bready theatre is the Université de Sherbrooke cultural centre's main venue. With a seating capacity of 1,501, it is one of Québec's largest theatres. In 2014, the theatre's management decided to modernize the facilities, including transitioning the audiovisual system to digital.

Description

XYZ Cultural Technology supplied and installed all the audiovisual equipment for the Maurice O'Bready theatre and its foyers. The proposed solution includes Outline speakers, video projectors, a display screen and a digital mixing console. XYZ also supplied the stage lighting.
